

The Town of Rocky Mountain House hires a new Chief Administrative Officer

December 12, 2017

Council is pleased to announce that Mr. Dean Krause has been selected as the new Chief Administrative Officer (CAO) for the Town of Rocky Mountain House. He will be assuming his new role and responsibilities effective January 22, 2018.

This is the key leadership position within the Town administration and we are excited, thanks to the excellent professional assistance of Mr. James Davies of DCG Executive Search Ltd., to have attracted strong candidates from across western Canada.

With over twenty years of progressive leadership experience within local government administration, Mr. Krause brings a solid understanding of the municipal landscape in Alberta, along with an extensive professional network. Beginning his working career in the trades and working in construction as a Project Manager, he transitioned to municipal government in the mid 1990's. He spent 18 years working his way up the ranks in the Town of High Level, Alberta (beginning as the Development & Safety Codes Officer, then being promoted to the Director of Community & Development Services, and eventually the CAO), before being recruited to the Town of Westlock as their CAO, where he has spent the past four plus years. Both Mr. Krause and his wife are avid outdoors enthusiasts and see Rocky Mountain House as an opportunity to be able to contribute to the community and the region, both professionally and personally, while at the same time being able to partake in the many outdoor opportunities that the Town and region offer.

Council wishes to thank Ms. Corinne Newman and the Town staff for all the hard work they have put in over the last several months through the recent elections and changes that have occurred in the Town. We are excited about continuing the forward momentum from the previous Council and we feel that with the addition of Mr. Krause to the existing senior leadership team, the Town of Rocky Mountain House will remain the community of choice.

Please join us in welcoming Mr. Dean Krause and his wife to the community. We are confident that Rocky Mountain House will continue with a progressive administration.
