

Ken Moesker

Councillor candidate

We've been residents of Rocky Mountain House for 18 years. I'm retired but spent my working career as a tradesman in various maintenance and operations roles. I'm actively involved with the Compassionate Care Hospice Society as a Director and as a volunteer. I've been married to Angela for 34 years. We've have four adult children and four grandchildren.

I joined town council after the February 2024 byelection, and being on council has been one of the greatest honors of my life. It's been meaningful and fulfilling work. I'm running again because I feel there's still more to do. This council has introduced significant changes that make Rocky Mountain House an attractive place to invest and live, and I'd like to see the momentum on those efforts continue.

Over the last year-and-a-half, my focus has been on building an efficient and productive town council. I've done this through developing healthy, professional relationships with my council colleagues as well as supporting initiatives that I believe are in the best interest of the town as a whole. This is the kind of leadership I hope to bring to the next council as well.
