

Pricing & Budget

1. The budget range for the project implementation is \$25,000 - \$75,000. This should include all one-time fees for development/redesign, migration, training, etc. Annual fees for hosting, support and security should be separately identified along with your proposed contract terms.

Project lead

1. The Town of Rocky Mountain House Communications Coordinator will be the primary contact for the successful proponent. The communications team of 2 will liaise with other departments and support approvals throughout implementation.

Support

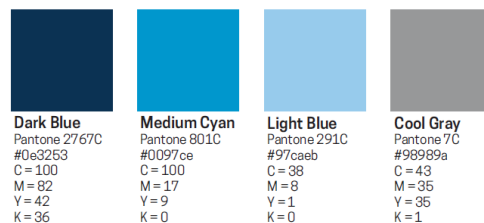

1. Help desk support is intended for internal Town staff seeking technical assistance.

Search Functionality

1. All website data and PDFs will be indexed for search functionality. Search function on www.rockymtnhouse.com should also yield results from meeting management documents.

Design, Branding & Visual Identity

1. The Town will maintain its Where Adventure Begins logo and colour palette.
