

Dale Shippelt

Councillor candidate

Rocky has been my lifelong home, and I'm proud to have served our community for over 40 years - as a business owner, Town Councillor, and board member.

My experience spans municipal planning, health services, infrastructure, and justice, giving me deep insight into governance and community needs.

I value transparency, fiscal responsibility, and long-term planning. I've helped launch growth initiatives within the Town and want to see them succeed.

My priorities include preparing land for development, maintaining infrastructure, expanding recreation, and boosting tourism.

I believe in smart planning - not higher taxes - and I'm committed to building a strong, vibrant future for Rocky.

With 13 years on Council and decades of leadership, I ask for your support on October 20, 2025, to continue driving positive change.

Thank you for the opportunity to serve.
