

Denise Boniface

Councillor candidate

I'm Denise Boniface, a 45+ year resident of Rocky Mountain House, where I raised my family, volunteered on local boards, and served as president on a provincial board.

For nearly two decades, I ran an international scuba diving and travel company from Rocky as a Master Scuba Diver Trainer Instructor and underwater photographer—interviewed by CBC's podcast and attracting global clients without advertising. I also co-manage Shanise Enterprises, our family construction business that has served Alberta for more than 35 years.

I'm running for Town Council because I believe in collaboration, common sense, and keeping residents' voices central to decision-making.
