*Councillor candidate*

I have resided in Alberta for the past 27 years and lived in Rocky Mountain House since 2008. Together with my wife Joan we have three daughters and ten grand children.

In addition to serving in many volunteer organizations in the communities in which we lived we also served volunteer missions in Romania- Moldova (18 months) and Atlantic Canada (12 months).

My background is in Local Government Administration and I have served at both the elected and administrative levels.

I am a proud and grateful Canadian and Albertan and feel blessed to be living in Rocky Mountain House.
