

Justin Sinclair

Councillor candidate

As a fourth-generation resident of Rocky Mountain House, I hold a deep appreciation for the community that has shaped my values and identity. My professional journey has taken me across the globe, offering insight into diverse cultures, histories, and modern advancements. These experiences have given me a broader perspective on what strong, forward-thinking communities can achieve. I believe our town is at a standstill, and without proactive leadership, we risk falling further behind. I am seeking a position on council to promote thoughtful progress and long-term growth—not only for today but for future generations. At 44, I feel a responsibility to help guide meaningful change. I respectfully ask for your support in electing me on October 20, 2025. Please feel free to reach out to me at rmhjustine@gmail.com

Kind Regards,

Justin
