

What do you think about a new Town landmark?

Complete the SURVEY today at www.rockymtnhouse.com/p/landmark

Council has identified *Building our Tourism Sector* as one of the four main priorities of the 2023-2026 Strategic Plan. The goal of a new landmark attraction would be to support the Town as a tourist destination; a place to visit with attractions to explore. If Council chooses to move ahead with the planning and construction of a new landmark attraction, it could help to create a strong identity for the Town of Rocky Mountain House.

How would you describe the identity of the Town of Rocky Mountain House?

Before it moves further ahead in the planning process, Council would like to hear from the community. Please visit www.rockymtnhouse.com/p/landmark to share your thoughts, or stop by the Town Office to complete a paper copy, before August 23, 2024.

Bring your questions, feedback or ideas to your elected officials during a **Coffee with a Councillor** session!
