**TITLE:** HISTORICAL MURAL INCENTIVE PROGRAM

---

**PURPOSE**

To establish a written policy, approved by Council, to clarify expectations and determine criteria for a matching grant incentive program for businesses and commercial locations to partake in the development of a historical mural, with funding provided by Town Council.

**POLICY STATEMENT**

1. That if Council provides funds for historical murals, these funds are to be approved on a matching basis. This means business and commercial property owners must contribute an amount equal to or exceeding the actual funds provided by Council. A maximum amount of **\$500** per building of an approved historical mural will be granted.
2. The matching requirement may be met in the form of any combination of money, services, donated materials or equipment, all of which must be specifically related to the project (GST is excluded).

3. A Historical Mural Approval Committee will be struck by Town Council to review and approve applications for the Historical Mural Incentive Program and be made up of representatives of the following organizations: Town Councillors (2 representatives), Rocky Mountain House National Historic Site (1 representative), Confluence Heritage Society (1 representative), and the Rocky Museum (1 representative). This Committee will meet as needed as applications for the historical mural incentive program are received.
4. For an application to be deemed complete, the Town requires:
  - A certificate of title
  - A picture of the wall (or other surface) of where the historical mural will be placed.
  - A design concept of the proposed mural prepared for review of the Historical Mural Approval Committee.
  - A signed letter from the landowner agreeing to the proposed designed concept.
  - A quote from a muralist or artist showing the full amount of work (including any in-kind) to be completed.
5. That each approved applicant must enter into a reimbursement agreement with the Town of Rocky Mountain House, attached in **Schedule 1**. This agreement confirms the Town's commitment for repayment of the matching grant after completion of the work in conformance with the design concept submitted.
6. If construction is not completed within a four (4) month time frame, from the date of signature of the reimbursement agreement to the date of final inspection, the Town may cancel the agreement and enter into a reimbursement agreement with another applicant.
